Newsletter
24th May 2024

We can now tick off two milestones for year 6; they have finished their SATs and completed their school journey. I was so proud watching the children take their tests during SATs week. The children were confident, and it was evident that their teachers have done an excellent job to prepare them. I look forward to receiving their results and sharing them with you in their end of year reports.

4M made the trip Pizza Express last week. This experience supports their learning in food tech. Seeing experts in their field helps the children to aim high. I look forward to seeing their final pizzas being made.

Mrs Clarke and I are finalising the arrangements for the showcase week. After half term you will receive a timetable of events so that you can book to come into school to experience some of the learning that your child has taken part in this year. We have no idea of how popular the events will be, so there will be an initial limit of one session per family, and if any spaces are remaining parents will be able to book an additional session. Stubbers 2024

The trip to Stubbers has been a wet one but full of memories. I have visited several times and even got to join in with paddle boarding. It was lovely to hear such positive feedback from the staff at Stubbers, telling me how well behaved our children are. I am sure they will have the best night's sleep tonight. A big thank you to all the staff who have stayed with the children and visited at various points during the week. A letter has already gone out to year 5 parents to begin the payments for their children, ready for next year.

Year 4 had a more planned wet fortnight, taking part in the intensive swimming sessions. The swimming pool is an expensive endeavour, but one I'm sure is appreciated by the children. Having the pool on site, negates the travel needs and really does save a lot of time. Many of the children have grown in confidence over the fortnight. The pool will remain here for half term, if any parents would like to book lessons for their children. **Headteacher**

Fabulous Feedback

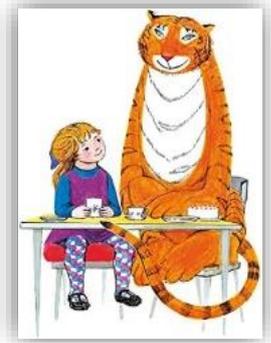

Head over to the website to see some of the fabulous comments that have been left about your school. Look in the 'About Us' Tab

The Tiger Who Came to Tea

Today has been particularly busy in school. Our nursery children have hosted a tea party for their parents. They have been learning about the book 'The Tiger who came to tea.' They made sandwiches, place mats and certainly were dressed the part. I'm not sure that the risk assessment noted the appearance of a real Tiger! The nursery staff have done a great job this year, I was delightful to see today how grown up they have become, and how ready they are for reception in September.

Mrs Sawtell-Haynes

Year one took part in a 'Life in Fairy Tale Castle' experience. Thank you to the parents who volunteered, and also the year 6 helpers who did a fantastic job! Mrs S-H

Dates for your diary

Mon 27 th May	Bank Holiday
28 th – 31 st May	Half Term
3 rd June	Inset Day
4 th June	Back to School
