

The school must ensure the school premises are a safe environment for children, school employees, visitors and parents/ guardians. The types of personal information we need for this purpose include the following:

## **Access Control via Ring Doorbell and personal information on an iPad.**

- Face recognition on ring doorbell
- Name
- Vehicle Registration
- DBS Number
- Personal Images (Photographs)

The purpose of this use of data is for public safety and the prevention of crime, and our legal basis for using the information in this way is a task in the public interest.

The school is the data controller. We may share this information with the Police or other certified investigators.

Our visitor records will be held for seven years. Our ring doorbell footage is held for 24 hours.

No personal information is routinely available outside of the UK. Should a transfer of personal information be necessary we will only do so where it is permitted by law and where appropriate safeguards are in place.

## **Closed Circuit Television Surveillance (CCTV)**

- Personal images for staff, pupils and general public

The purpose of this use of data is for public safety and the prevention of crime, and our legal basis for using the information in this way is a task in the public interest.

The school is the data controller. We may share this information with the Police or other certified investigators.

We retain CCTV footage for 30 days before it is overwritten. The information may be retained for a longer period if imagery is required for evidential purposes.

No personal information is routinely available outside of the UK. Should a transfer of personal information be necessary we will only do so where it is permitted by law and where appropriate safeguards are in place.

**For information about your rights in relation to this use of your personal information please see section 5 of our overarching privacy notice.**
