This policy is written in conjunction with our Child Protection Policy.

Expectations of School regarding attendance

The new Department for Education guidance Working together to improve school attendance (DfE,2024) expects all schools:

Responsibilities and Expectations of Parents/Carers

Working together to improve school attendance (DfE,2024) states that Parents/Carers have a legal duty to ensure their child attends school every day that school is open, except in a small number of allowable circumstances such as being too ill or being given permission for an absence in advance.

Parents / Carers are expected to

- ensure their child(ren) arrive at school on time, in appropriate uniform, ready to learn
- ensure their child(ren) attend school each day school is open
- provide school with a reason for any absence first thing in the morning using Studybug app (<https://studybugs.com/about/parents>).

- liaise with the Pastoral Manager for more detailed attendance support (see appendix 6)
- book medical appointments out of school hours and/or provide evidence of appointment if during school time
- provide at least two contact numbers and inform School of any changes of address / proposed change of school and start date
- only request leave of absence in exceptional circumstances
- proactively engage with school and Local Authority regarding any support offered/ signposted; to address their child's barriers to attendance, especially if their child is at risk of becoming persistently absent (has missed 10% or more of school)

Roles and Responsibilities of School Staff

- Refer missing children to the police for support

The Pastoral Manager will:

Where engagement in support is proving challenging the Headteacher and/or Pastoral Manager, working together under banner of School senior attendance Champion, and with advice/support of Thurrock SAST, will hold more formal conversations with parents/carers.

Categories of Absence

Parents/Carers may not authorise absence, absence is authorised by the-Headteacher. All codes entered onto the Juniper Horizons register are in line with Working together to improve school attendance (DfE, 2024)

- **Illness**

Parents/Carers should notify school on the first day the child is unable to attend due to illness (either physical or mental health related). This should be done via the Studybugs app. The school will authorise absence due to illness unless they have genuine cause for concern about the veracity of the illness.

The school can request Parents/Carers provide medical evidence to support illness. The school will record the absence as unauthorised if the requested medical evidence is not produced. Medical evidence can be a doctor's certificate, sight of the medicine bottle, appointment card or copy of the prescription. If Parents/Carers inform the school that they are unable to provide evidence due to an ongoing illness the school may, with written parental consent, write to the doctor and request evidence.

- **Medical and dental appointments**

Parents/Carers should endeavour to make their child's medical appointments outside of school hours and/or provide evidence of appointment if during school time. A medical appointment is counted as an authorised absence.

- **Term time holiday**

Requests for period of absence for purpose of a holiday will not be authorised. Any holiday taken during term time will be recorded as Code G: Please be aware that code for approved family holiday was removed by DfE August 2024.

- **Special occasions**

Parents/Carers should write a letter to the Headteacher explaining the circumstances. Each request will be treated individually. Please note in the majority of cases absences of this nature will not be authorised.

- **Family bereavement**

We will respond sensitively to requests for leave of absence to attend funerals or associated events. Parents/Carers should write to the Headteacher explaining the circumstances.

- **Being educated offsite**

This code is used when pupils are present at an off-site educational activity that has been approved by School.

Suspension / Exclusion

Suspension / exclusion is treated as an authorised absence. If a pupil is found alone in a public place during a period of exclusion a Penalty Notice may be by Thurrock Council.

Penalty Notices

Working together to improve school attendance (DfE,2024) guidance explains that "improving attendance is everyone's business". It states that schools will work with pupils and families, the local authority and other partners to identify barriers to good attendance and offer support as appropriate.

When this offer of support fails to improve attendance statutory action may become necessary and the Thurrock Council Code of Conduct (August, 2024) sets out the circumstances in which a Penalty Notice application can be made.

Kenningtons Primary Academy has adopted the Thurrock Council Code of Conduct (August 2024) as part of its Attendance Policy (see Appendix 3).

From 19 August 2024 Parents/Carers can be issued a Penalty Notice if their child has a total of 10 sessions of unauthorised absence in any period of 10 weeks.

Penalty Notices are issued to each parent, for each child. Legal proceedings will be taken if payment of the Penalty Notice is not made within 28 days.

First Offence	First Penalty Notice per parent, per child, parents/carers must pay: £80 if paid within 21 days / £160 if paid after 21 days but within 28 days.
Second Offence	Second Penalty Notice within 3 years per parent, per child, parents/carers must pay: £160 within 28 days
Any other offence within 3 years	Legal proceedings will be taken against you if: your child has any further unauthorised absences within 3 years

Legal proceedings could lead to a higher financial penalty and will result in a criminal record

From SAST Thurrock poster August 2024

Penalty Notices may be applied for

- irregular attendance
- unauthorised leave of absence including for the purpose of a holiday
- when a child that has suspended or excluded is found in a public place during school hours without a justifiable reason

When national threshold is met, schools must consider whether to issue a Notice to Improve, (this is currently referred to as the Penalty Notice warning letter)

Pupils Moving to a New Address and/or School

Parents/Carers should keep the school informed of any changes or circumstances that may affect their child's attendance such as moving to a new address or a new school. This is to ensure the school complies with its safeguarding responsibilities

Parents/Carers must share full details of the change including the date the child is expected to start at the new school / move to reside at a new address with the school office prior to their child's last day. The school must record these details fully.

There are now scenarios where pupils can be taken off roll – this would only be done in conjunction with Thurrock School Attendance Support Team (SAST). This would include completion of SAST referral and notification to parents of intention to off roll.

Dual Registered Pupils

Pupils attending on a dual registered basis are primarily the responsibility of their home school. Regular contact will be made with the dual rolled school for updates on the pupil's attendance.

EHE – Elective Home Education

If Parents/Carers send written notification to school that they intend to withdraw their child from school to home-educate, school will inform School Attendance Support Team (SAST) immediately, as per SAST advice

Culture of praise

In keeping with new DfE guidance, there will be a culture of praise, identifying and celebrating improvements in attendance.

- merits issued each half term to pupils with 100% attendance
- sending personalised letters to parents/carers and pupils recognising attendance improvement
